

FCC:

This comment is in regards to K-LOVE radio. Our family has listened to K-LOVE for the past 12 years. It is a tremendous asset to our communities. It is hard to find a positive, encouraging, Christian station on the air. If K-LOVE is displaced by an LPFM, as could be your plan, it would have a detrimental effect on thousands of people who are committed listeners. The services K-LOVE provides is immeasurable. People have actually come to faith in Jesus Christ because of K-LOVE'S programming and outreach. People have been counseled and have even turned from committing suicide. How many radio stations can do that? Please consider leaving K-LOVE as a translator and not an LPFM.

Sincerely,  
Mark & LeeAnn Steputat
